- 12:00 pm Trail Walk with Scott Cutler
- 1:00 pm Jr Explorer Booklets with Abigail

Poppies Fest is a celebration of Castner Range National Monument at the only part of the landscape open to the public. The El Paso Museum of Archaeology brings the community together through highlighting local artisans, vendors, and performers as well as providing a platform for Native American voices and traditions. Through nature, culture, and creativity, Poppies Fest fosters connection, education and shared stewardship of this special place.
